CONFERENCE & MEETING FACILITIES

The Boscolo Prague hotel housed in a neo-renaissance palace offers exclusive facilities for conferences, business meetings, corporate and high end social gala events. An independent, additional entrance through a spacious courtyard leads to a beautiful glass walled internal foyer with a dedicated registration area to ensure privacy, an ideal place for a relaxed coffee break. The conference area offers a total of seven meeting rooms of various sizes, six of which are situated on the ground floor, named after famous operas as a tribute to Prague, the city of culture. The largest conference room Aida has a seating capacity of up to 220 guests. The medium sized Tosca and naturally lit Carmen can accommodate over 100 guests and are adjoined by the smaller rooms Turandot, Traviata and

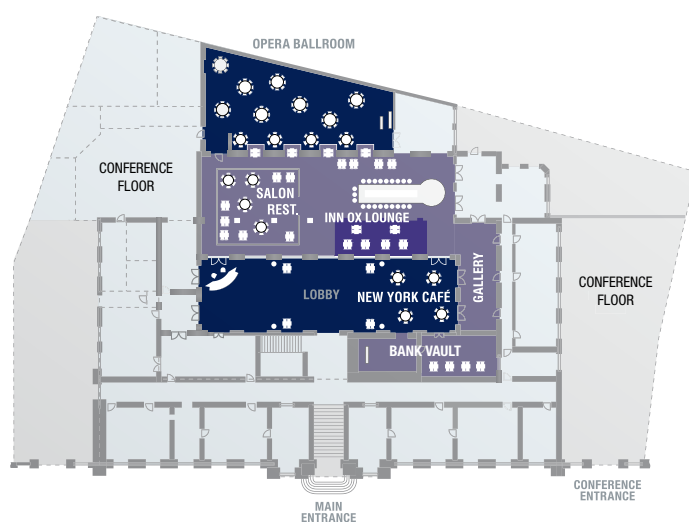

Juliette offering a nice ambiance with plenty of day light. The Opera Ballroom on the first level is luxuriously designed with wooden floors, black paneling and large mirrors and is known for its intricate lighting with large fabric lamps that can be lit with a whole colour spectrum to match any occasion or set up. For large scale events the Ballroom may be connected to the Inn Ox Lounge Bar, Salon restaurant or the beautiful lobby. The historical Boscolo and Presidential Suites with original fresco ceilings make a perfect venue for small, private meetings. All meeting rooms are air-conditioned and offer the latest technology tools such as interactive whiteboards or Meeting App. The professional events team is here to tailor any meeting to specific client's needs and make it a memorable experience.
